March 21, 2018

Parent Memo

Thank you for signing up for Kid's Villa Learning Center's Summer Program. We are very excited to begin our 2018 summer season with all of our wonderful children and enthusiastic staff. We are ready to jump into all of our fun activities! Here are some summer reminders:

- Children should bring in water bottles to keep in their cubby. Water bottles may be refilled at the water fountain daily.
- Water shoes must be worn for water play.
- Towels need to be clearly labeled.
- Hats and sunglasses may be brought in. Please label all items and remember that the center and staff cannot be responsible for lost items.
- Sun block / lotion / sunscreen must be labeled. One application should be applied by the parent, before coming to the center. A Medication Permission form must be signed in order for it to be applied by the classroom teacher.
- Water days are Fridays, weather permitting. Children may wear swimsuits to school, if you would like. Don't forget to send in dry clothes and a grocery bag for wet clothes.

Please visit our website at www.urbandaycare.com for more information on special events and activities each day. Monthly calendars will be available in the office upon request.
